

# West Coast Heli Diving Adventures @ Release

Challenge yourself and experience the intense excitement of the ultimate Crayfish dive.

Imagine: The views as your helicopter cruises past Mt. Aspiring and over the magnificent Southern Alps towards one of the most remote, untouched wildernesses on the face of the planet.

Then it's like picking the crayfish off a shelf. Gather your share of the tasty critters and explore the pristine West Coast waters. Now hop back into the helicopter and return to the exclusive Release: Private Retreat. Your private chef awaits ready to pass on trade secrets and advice on how to prepare your seafood banquet.
