

## Heli Fly Fishing Adventure @ Release

Challenge yourself and experience the stunning Wanaka region this summer at Release.

Imagine: a spectacular helicopter flight over the Southern Alps before being dropped off with your guide to explore the rivers and streams of a remote glacial valley.

Learn from our expert local guides how to stalk and sight fish for wild Brown and Rainbow Trout in the crystal clear waters that New Zealand is renowned for.

All levels of fly-fishing ability will be catered for through professional guidance with an emphasis on originality, uniqueness and fun.

Release is for individuals who seek out unique and thrilling experiences.
