

Experience KTM @ Release

The Ultimate Getaway for the Motorcycle Enthusiast

What better place in the world to experience the extreme performance of this year's KTM motorcycles than the rugged mountain environment of Lake Wanaka in New Zealand's Southern Alps?

Improve your riding skills and explore some of the most picturesque and spectacular enduro terrain in the southern hemisphere with our expert local guides. This exciting trip takes you along the shores of Lake Wanaka before you climb steeply to enjoy the majestic lake and mountain views of the Mt Aspiring National Park.

And you'll do it on the latest off road technology. KTM New Zealand, is giving you the opportunity to put their enduro, top performers to the test. You can trial a KTM 450EXC and 400EXC for... free!

Discover for yourself why KTM motorcycles are the choice of champions! Become an official KTM test rider and have the opportunity to write your own online review of your experience.
