

Adventure Heli Biking @ Release

Challenge yourself and improve your mountain biking skills this summer at Release.

Imagine: 6000 vertical feet of downhill Mountain Biking from one of New Zealand's highest mountain ranges!

And with heli-biking Wanaka style the uphill is as much fun... as the downhill thrills.

Enjoy a scenic helicopter flight over looking the three giant lakes below with breathtaking aerial views of the snow-capped Southern Alps.

World-class equipment and instruction for all levels.
