RELEASE YOURSELF...

## RELEASE – INNOVATIVE SOLUTIONS FOR CORPORATE INCENTIVES, STAFF RECRUITMENT AND RETENTION, LAKE WANAKA, NEW ZEALAND

---

### ATTRACT AND RETAIN

The world-class talent required to out-perform the competition is scarce.

To attract true talent, organizations must personalize their recruitment and retention strategies.

Ask the question... what do your key staff want? How can you make their life better?

They are looking for experiences that give their life meaning, to be stimulated to grow and learn. Top-shelf talent place work-life balance at a premium... Release is the answer!

## STIMULATING ENVIRONMENT

Release offers an attractive incentive for employees, a stylish location to entertain clients and a unique, stimulating work environment to inspire creativity and fresh thinking, surrounded by some of New Zealand's most spectacular scenery.

## TECHNOLOGY

Release has all the latest technology to function as a remote workspace giving employees the flexibility to enjoy a work-life balance while increasing their productivity.

## FLEXIBILITY

The complete flexibility of the Release corporate experience provides companies with a valuable resource that can be used according to their requirements.

- Team bonding
- Focus group away from distractions of the office
- Incentive for high performers/managers
- Tailored programmes for individual objectives
- Rewards

## EXCLUSIVITY

The Release experience is only available to the select few, those who want exclusive use of a corporate retreat for several days or weeks a year in an unbeatable setting. All packages are individually tailored according to the client's personal requirements using world-class local resources.

Contact Release to find out how your company can benefit from the unique Release experience.

## RELEASE - YOUR BASE CAMP IN ADVENTURE HEAVEN

Release is a designer retreat that enjoys commanding views across Lake Wanaka to Treble Cone, New Zealand's largest ski field and the mountains of Mount Aspiring National Park.

There is nothing standard about Release Adventures. Each is tailored to individual client requirements, whether it's fly-fishing in a remote glacial valley, heli-skiing virgin powder or learning to fly in a vintage tiger moth. These treasures are only known to a select few and Release is like having an old friend who has access to all the local secrets.

Release accommodates six adults comfortably and provides a perfect venue for individuals, families, friends and corporate groups. Exclusive use of the retreat includes the full concierge service to arrange Release adventures, food and wine or any other detail that completes the ultimate experience.

## RELEASE - THE DESTINATION

Release is a celebration of New Zealand craftsmanship and features New Zealand made and designed bespoke furniture and objets d'art, complimented by the best in local fine wines and produce. The elegant accommodation is finished to the highest level and is a testament to the values of sustainable architecture with a number of eco-friendly features.

Release accommodates six adults comfortably and exclusive use of the retreat includes the full concierge service to arrange Release adventures, food and wine or any other detail that completes the ultimate corporate retreat experience. Set high above Lake Wanaka with spectacular views across the lake to the mountains beyond, its setting is hard to beat.

Lake Wanaka lies at the gateway to Mount Aspiring National Park, a pristine environment of striking mountains and deep alpine lakes. Part of the Te Wahipounamu World Heritage Area, hikers, climbers and day walkers from around the world enjoy the area's spectacular natural beauty.

During the long hot summers the lake and beaches provide all that sun-seekers and boating enthusiasts could wish for, and the fly-fishing is superb. There's also a wealth of outdoor adventures, from mountain biking to canyoning, golf to kayaking. In winter Wanaka's home to four international ski areas, Cardrona, Treble Cone, Snow Farm and Snow Park, with something for everybody from powder to terrain parks, cross-country to downhill.

It's also a land for relaxing, surrounded by inspirational scenery; a place to enjoy award-winning wines and fine food and to experience the arts and culture influenced by the spectacular setting.
